APC draft wording to allow exception for chickens:

Backyard Chickens. *In the Town of Dayton, within the R1U and R1 zoning districts, up to six chickens or rabbits may be kept on a lot as a permitted accessory use. Roosters are prohibited. All animals must be kept in a secure coop or cage, which must be cleaned regularly. Coops and cages must provide minimum ten-foot setbacks from all property lines and may not be placed between any structure and the road right-of-way. Livestock not specifically mentioned in this section are prohibited, as is outdoor butchering of livestock.*
